April 1991

INTRODUCTION

Each fall the schools of Washington State submit to the Office of the Superintendent of Public Instruction a School Enrollment Report (Form SPI P-105) on which is recorded the number of pupils enrolled in each grade and the number of pupils who are members of specified racial/ethnic categories.

The racial/ethnic categories and definitions used are those provided by the U.S. Department of Education, as follows:

BLACK:
Not of Hispanic Origin. A person having origins in any of the black racial groups.

ASIAN or Pacific Islander:
A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands. This area includes, for example, China, Japan, Korea, the Phillipine Islands, and Samoa.

AMERICAN INDIAN or Alaska Native:
A person having origins in any of the original peoples of North America and who maintains cultural identification through tribal affiliations or community recognition.

HISPANIC:
A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

District, county, and state enrollment totals in this report are an accumulation of school enrollments as reported on Form SPI P-105 for October 1990 (a copy of this form is attach). Due to reporting discrepancies, theses figures do not always agree with those reported on Form SPI P-223, Monthly Report of School District Enrollment.
